Instructions for Candidates

1. Write your Roll No. on the top immediately on receipt of this question paper.

2. Attempt any five questions.

3. All questions carry equal marks.

1. What key roles does an efficient financial system play in an economy? How does it contribute to a country's economic development?

2. Discuss India's key financial regulatory authorities and their roles in overseeing and regulating the country's financial system.

3. What is the role of depositories in the Indian financial system? Discuss their functions and importance.

4. Explain the major financial reforms in India since 1991. Why has financial stability become a growing concern, and what role does the Financial Stability Board play?

5. Define Money Market. Elaborate on the role of the central bank in regulating the money supply within the economy.

6. Explain the structure of commercial banks in India. How do they help in boosting the country's economic growth?

7. "Mutual funds are vital to an economy's financial system." Do you agree with this statement? Provide reasons to support your view.

8. Write a short note on any three of the following-

(i) Role of SEBI in investors' protection

(ii) Recent developments in banking technology

(iii) Pension Funds
