Instructions for Candidates:

- a. Write your Roll No. on the top immediately on receipt of this question paper.
- b. This question paper contains 2 parts. Both parts are compulsory.
- c. Candidates have to answer ALL the questions in Part A and ANY THREE questions in Part B.
- d. Questions in Part A carry 10 marks each and questions in Part B carry 20 marks each.

Part A – Answer all the questions in Part A.

1. How has sports journalism evolved in India over the years, and what role has it played in shaping public discourse?

OR

Analyse the significance of major national and international sports events in promoting sports culture and fostering global connections.

2. How do sports regulatory bodies collaborate with each other and with international organizations to address the challenges of sports?

OR

Discuss the significance of India's participation in international sports organizations and events.

3. Explore the impact of television on sports coverage, including sports TV channels, commentary, broadcasting, special programs, and live telecasts.

OR

What are the key components of a sports newsroom, and how do they operate to produce timely and accurate sports coverage?

Part B – Answer ANY THREE questions in Part B.

4. What factors have contributed to the rise of outstanding sports personalities in India? How have their achievements influenced public attitudes towards sports and athleticism?

OR

Discuss the historical and cultural context in which major national and international sports events have taken place. How have these events reflected broader social and political trends, both in India and globally?

5. How do sports regulatory and governing bodies in India, such as the Ministry of Sports, SAI, BCCI, and IHA, influence the development and administration of sports in the country?

OR

Explore the challenges and opportunities associated with sports policymaking in India. What strategies can be implemented to improve coordination and cooperation in sports policymaking and implementation?

6. Analyze the role and significance of sports magazines in the media landscape. How do sports magazines cater to specific audiences and provide in-depth analysis, commentary, and features on various sports topics?

OR

Discuss the principles of fairness, accuracy, objectivity, and integrity in sports reporting, and provide examples of ethical dilemmas that may arise in sports journalism.

7. Discuss the role of sports policy in addressing systemic inequalities and barriers to sports participation, particularly for marginalized groups and underrepresented communities. Give examples to justify your answer.

OR

How can sports policymakers leverage partnerships with non-governmental organizations, private sector entities, and civil society organizations to enhance the effectiveness and impact of sports policy initiatives?
